TAKE NOTE

Our choir and instrumentalists have been faithful this summer in their worship leadership. Wynndale is truly blessed. We will be resuming our weekly Wednesday rehearsals on August 14 at 6 p.m. This would be a great time to come join our choir.

I know for a fact that there are many out in the congregation who have served in the choir in the past, but since Covid, haven't been back. We would love to have you return along with any newcomers! Choir is a discipleship group that grows through the scripturally focused music we rehearse, care for one another, and serves the church through its worship leadership. One of the perks of being in the Wynndale choir, is that you are able to sit with your family after the music portion of service is over. We will begin working on Christmas music later in August so get in on the front end and "make a joyful noise!".

LIGHT OF EAST AFRICA MISSIONS

Light of East Africa's goal is to provide access to clean water with water wells in Kenya and plant churches to act as a means of sustainable community outreach and provide consistent access to the gospel!

Please help Levi Malone and WBC in this Mission outreach!

If you'd like to place flowers in the sanctuary in honor or in memory of someone, or to commemorate a special occasion, please contact the church office.
